

DWELLING™

CABINET CO.

LIFETIME LIMITED WARRANTY

Dwelling Cabinet Co. warrants to the original consumer purchaser that all Dwelling products will be free from defects in materials and workmanship for the lifetime of the original consumer purchaser. The warranty applies to the repair or replacement of defective product and does not include expenses incurred in the removal, shipment or installation of the product; nor does it apply in the case of normal wear and tear, misuse, abuse, improper storage, improper installation and/or exposure to extremes in temperature or humidity of Dwelling products. The Dwelling warranty only applies to defects and does not apply to natural wood features that are inherent in wood species. This warranty does not cover unfinished product. This warranty is in lieu of all other implied or expressed warranties.

In addition to the Dwelling warranty outlined above, Dwelling guarantees to the original purchaser that all drawers and roll out trays will be free from defects in material and workmanship for the lifetime of the original consumer purchaser. This warranty does not include expenses incurred in the removal, shipment or installation of the product; nor does it apply in the case of normal wear and tear, misuse, abuse, improper storage, improper installation and/or exposure to extremes in temperature or humidity of Dwelling products.

During the warranty period, Dwelling's liability is limited to the repair or replacement of any defective product at no charge to the account, as Dwelling may determine. This warranty applies only to cabinets or related products purchased through an authorized Dwelling account. Warranty replacement orders need to be submitted through the original authorized Dwelling account.

Dwelling continually seeks to improve and revise the Dwelling product line. In doing so, we reserve the right to make changes in materials and specifications for Dwelling products without prior notification. Materials and specification changes are not valid reasons for product refusal or replacement under warranty claims.
